## *Susan Van Vleet to be Honored*

On May 15<sup>th</sup>, the National Council of Jewish Women in Colorado will honor Susan with **The Jewish Women in Business Award**. This award is given to women who have been successful in business and are role models for young Jewish women. The Jewish Women in Business Award is given as part of the Hannah G. Solomon Scholarship Program (named for the founder of the National Council of Jewish Women). Every year at least 4 young Jewish women are awarded scholarships to attend college.

This year a Scholarship will be established in Susan's name so that each year a young woman will receive the **Susan Van Vleet, Hannah G. Solomon Scholarship**. Included in this newsletter is an invitation to attend the May 15th luncheon and return card so you can also make a donation of any amount to the Susan Van Vleet Scholarship Fund.

There are several ways your company can participate as well. We have enclosed a flyer with more information about company participation. 100% of any donation you or your company makes goes to the scholarship fund in Susan's name.

This is a great opportunity to acknowledge Susan for the contribution she has made to your organization as well as you personally.

If you have any questions please contact me. I will be happy to answer any questions you may have.

Thank You

**John Van Vleet**
